

GOD ORDAINS ALL

Come, turn
from outer things
and meet Jesus
inward now.

How sweet a prayer
that leads to
hidden, inner rooms
where
God is there.

In darkness
close
God's light
works whole
in mystery.

New unknowns
in freedom
trust
the gospel
and the night.

Seek still God
O hungry soul
burn gently
and boldly go

To fields
and learn God's ways,
for beauty touched
with fish be praised.

O love
incarnate Christ
dwell creaturely
in mystery's dance.

Fold inward
the outward part
and find connection
at the cross of heart.

Silence
grand symphony
plays harmony
in paradise.

Intimate Trinity
what's real and saves,
by sensing wisdom
In One embraced.
