"IN THE FOOTSTEPS OF TERESA OF AVILA":
CELEBRATING THE 400TH ANNIVERSARY OF
HER CANONIZATION

AVILA WITH US

On each day of the retreat-pilgrimage there will be a planned itinerary in the mornings involving powerful presentations from the retreat leaders designed to integrate all you're experiencing into your interior life, followed by a guided visit to a place of interest in the environs. During our time together we hope to explore various themes which arise from St Teresa's writings whilst placing them in the unique setting within which we find ourselves.

In the company of Teresa of Avila, we will visit the places most associated with her life and work in Castille: Avila, Burgos, Salamanca, Segovia, Toledo and Valladolid. Our retreat-pilgrimage shall take place at the Casa Natal de Santa Teresa de Jesús within the walls of the old city of Avila.
