

Becoming Prophets

School of Prophets

Hear and heed God's voice from within the tumult of this time

The School of Prophets aims to hear and heed God's voice from within the tumult of this time. Through practicing the prayer, study and silent receptivity exemplified by the prophets, school participants will examine the world as God sees it and discern ways to speak God's truth, for both what is needed and possible.

The programme features one 90-minute online session every two weeks. Each gathering will involve 30 minutes of prayer, 30 minutes of instruction or guided reflection, and 30 minutes of questions and dialogue. Participants will be invited to reflect on lessons learned about our current reality, to practice heeding the Holy Spirit in prophetic interpretation.

**Online programme will begin:
November 8, 2026**

Suggested price: £650 (Fees can be paid either in full in advance or in easy monthly instalments)
