

Becoming Prophets

School of Prophets

Hear and heed God's voice from within the tumult of this time

The School for Prophets aims to hear and heed God's voice from within the tumult of this time. Practicing the prayer, study, and silent receptivity exemplified by the prophets, school-participants will examine the world as God sees it, and discern ways to speak God's truth, for both what is needed and possible.

The programme is designed as one ninety-minute on-line session every two weeks, along with two essential residential gatherings. Each ninety-minute on-line gathering will involve 30 minutes of prayer, 30 minutes of instruction or guided reflection, and 30 minutes for questions and dialogue.

Participants will be invited to reflect with lessons learned about our current reality, to practice heeding the Holy Spirit in prophetic interpretation.

Online programme will begin:
November 7th, 2023

Residential programmes are scheduled for:
January 28th-29th, May 18th-19th

Suggested price: £950 (including two residential overnights)
